

Supports Awarding Academic Credit & Collaborative Teaching

All NOCTI industry-based credentials have been aligned to the national standards for math, science, and language arts. Consider using the Integrated Academic reports to determine which academic competencies are contextually covered in each NOCTI credential and how well your students are scoring on these integrated items.

Integrated Academics- Individual Report by Standard

Participant Name: XXXXXXXX
 Site: Sample Site
 Test Date: XX/XX/XXXX
 Test: XXXXXXXX

Participant ID: XXXXXXXXXX
 Level: Secondary
 Type: Post-Test

Participant Name		Math			
Label	Written - Cognitive Description	Competency	# Items Possible	# Items Correct	% Correct
