## Secondary-level Certificate for HVACR

The North American Technician Excellence (NATE) organization and NOCTI have partnered to allow students to receive a NATE secondary-level certificate and digital badge of achievement for successful passage of the NOCTI Job Ready HVACR Installation and Start-up or HVACR Service and Repair credentials.

**Student Recognition:** Students achieving a 70% or higher on an eligible HVACR credential will have the opportunity to earn:

- A secondary-level certificate of achievement issued by NATE
- A secondary-level badge of achievement issued by NATE
- Three semester college credit hours in HVAC, Refrigeration, or General Technology
- Support to pursue HVAC training and employment
- A foundation that will support future certification opportunities
