Employability Skills Assessments

Employers continue to cite employability skills as being critical to securing a job and advancing in a career. Technical skills matter. Academic skills are important. And, mastering employability skills is a must! NOCTI's employability credentials measure the skills that represent critical knowledge needed for success in the workplace.

Online Administration

Pathway Assessments

Broader in scope than NOCTI's Job Ready assessments, Pathway assessments are designed to measure a student's competence in broad level technical skills within a pathway or cluster and also measure knowledge of soft skills and academic skills contextualized to the technical area.

Online Administration Only

\$20.00 per set (Pre-Test AND Post-Test)

\$13.00 each (Post-Test Only)

Certificate Programs

NOCTI is the assessment provider for many certificate programs which offer students the opportunity to earn certification or a certificate in the technical area. Details and pricing information can be obtained by visiting <http://www.nocti.org/CertificatePartnerPrograms.cfm>.
