

# Your First Year in CTE: 10 ADDITIONAL Things to Know

The third and final installment of the popular "10 Things to Know" series published by ACTE and NOCTI focuses on what it takes to be a professional CTE educator and is targeted to industry-experts-turned-teachers who have made it through their first few years. This helpful resource emphasizes the impacts of federal and state legislation on the CTE classroom, visibility in the community, the importance of becoming a leader, and what your new profession expects of you, as well as other helpful topics.
